TOURNAMENT REGULATIONS

1. The tournament follows the General Regulations (GR) of Racketlon France. The sport-specific rules are available on the website racketlon.fr. These additional regulations supplement the provisions of the GR. Certain points may be adjusted based on registrations and assigned equipment.
2. All participants must comply with the French Racketlon Federation's regulations and possess a valid license on the day of the tournament.
3. The tournament is open to all skill levels (Beginner to Elite). Draws will consist of a maximum of 16 players (knockout matches followed by ranking matches) and a minimum of 4 players (round-robin format). The organizer reserves the right to modify a player's or pair's category to ensure fair competition.
4. The available categories are singles, doubles, and mixed doubles. Singles matches will be played on Saturday, while doubles and mixed doubles will take place on Sunday. Each player may register for singles AND/OR doubles or mixed doubles. The organizer reserves the right to cancel certain categories depending on the number of participants and pairs.
5. Registration is available via HelloAsso, with a link provided on the Racketlon France website (racketlon.fr). Any other registration methods (paper, email, phone, etc.) will not be accepted. The registration deadline is August 22, 2025, at 11:59 PM.
6. The registration fee is set as follows:
 - €25 for men's singles
 - €15 for women's singles
 - €15 per person for doubles and mixed doubles
 - €15 for U21 players
7. The tournament is limited to 112 players in singles and 72 pairs in doubles. Registrations will be processed in the order of complete submissions (including payment). An exception applies to the A/ Elite category, where registration order does not determine acceptance—players will be admitted based on ranking until the draw is complete. If a category has insufficient participants, the organizer reserves the right to merge or cancel certain draws.
8. The published schedule during the tournament is for reference only. All players must be present in the hall at least 20 minutes before their first match. Any player wishing to leave the competition must notify the tournament desk.
9. Shuttlecocks and balls will be provided by the organizers. Loaner rackets will be available for players who do not have their own.
10. The transition time between each discipline is 3 minutes from the moment players arrive on the court.
11. In badminton, any shuttlecock that touches the ceiling, its structures, or overhead lighting is considered a let on the serve (up to two consecutive times), then a fault. During play, it is considered a fault.
12. Matches are self-officiated. However, any player may request a referee from the organizers. The request will be granted only if deemed necessary and if a referee is available.
13. Upon arrival at the venue each day, players must check in at the tournament desk.

14. All players must arrive on the court with all necessary equipment for their match. Players are not allowed to leave the court except during authorized breaks according to the rules.

15. The organizing committee is not responsible for any theft or loss during the competition. Participation in the tournament implies acceptance of the General Regulations (GR) and the present rules.

16. Due to the possibility of playing on clay courts, each participant must have two pairs of shoes: one for indoor activities and the other for clay surfaces.

17. No refunds will be granted for withdrawals after the registration deadline, except in cases where a medical certificate is provided.

18. By participating in the tournament, each player authorizes ASL Robertsau to use any photos or videos taken during the event for communication purposes, including the club's website, without requiring further consent. However, any individual appearing in a photo or video has the right to request its removal. To do so, they must send an email to casteljulien13@gmail.com with the reference of the concerned photo or video. Upon receipt of the request, we will remove the photo(s) and/or video(s) from all communication platforms.

19. Your participation in the tournament implies full acceptance of the General Regulations (GR) and the present rules.
